### FROM THE PREZ

The annual Ashland Evening Lions Garage/Yard sale is history. Our thanks to all members, family, and friends who helped by donating items, helping with the set-up, working at the sale, picking up donations, calling to remind members of the July 28 date, or serving in any other way. The rain held off and BOY did the people come! In addition to netting about \$700, we also delivered truck and vanloads of leftovers to Goodwill and the Ashland Public Library. We have been asked to have our trailer at the first Lincoln Highway car show on August 11 at Samaritan-on-Main. This is one of the many activities that weekend calling attention to the old Lincoln Highway (basically old Route 30) including garage and yard sales across Ohio along that route. What a great opportunity to have our name before the public.

Our coffee break on I-71 on northbound side is August 17-19. The annual Plymouth/Ashland Evening picnic is August 22 in Plymouth. A training session for those helping with the sight & hearing testing at the schools in August 23. We will be manning the Buehler's patio refreshment sale on August 24. The annual Ashland Evening family picnic is Sunday August 26 at Brookside West. Please participate in these activities as you are able. They all provide a time of friendship and fellowship as well as a chance to be of service.

Congratulations to our newest member, Lion Ray Herbst who was inducted by Zone Chair Woody Conrad at our July 19 meeting. Cub Richard Meeker will be inducted at our August 2 meeting during our official visitation by our current District 13B Governor Sharon Parker. She will be sharing with us her vision for the year and her theme "Service with a Purpose."

Never pass up an opportunity to ask someone to be a part of our club and Lions International. Also, please participate in our meetings and activities as you are able.

Yours in service,  
Lion Ann

On Wednesday, August 22, we will be traveling to Plymouth for this year’s event. This is a covered dish affair and Plymouth will be furnishing the meat. The food and the fellowship are always top notch and we encourage your attendance.

The calling committee will be letting you know final information as the date gets closer.
