FROM THE PREZ

Wow, where did the month of April go! It seems like April Fools was just a couple of days ago. If you weren't able to make the regular meetings in April, you missed two fantastic and informative meetings. On 4-2 we had Dr. Christ Ticoras who talked on skin cancer. On 4-16 Cheryl Harner, "The Butterfly Lady", talked on butterflies, their environment, and their roll in it.

The month was pretty busy with the election of the 2009-2010 officers, the Lion- Daughter meeting, the vision and hearing screening of kindergarten kids, the sale of geraniums & other flowers, the District 13B Convention at Westlake, the last Zone 7 advisory meeting, and the first highway clean-up of 2009. At the Board of Directors meeting on 4-23, at their request, Lions Barry Bailey and Vivian Ellstrom were dropped from our ranks as member in good standing. So, if you have any prospective new member, bring them to a meeting.

Mark May 21 on your calenders - it is the Installation of Officers meeting and also a spouse's night. I would like to see a nice turn out in support of Incoming President Bill's year. Also, May 7 is the deadline for geraniums sales and May 19, 4 p.m. at the fair grounds, is delivery and pick-up.

Yours in Lionism,
President Ken,

Member Profile

This month we profile Lion Dick Kerr who is married to Lion Wanda. They have 4 children and 2 great grandchildren. Lion Dick is retired from Boales Insurance and list his hobbies as recycling and special interests as surviving. Lion Dick is always the comedian (good thing Lion Wanda keeps him in line). Lion Dick is very active in our recycling program which works out of his barn. Lion Dick has been a Director, Tail Twister and Lion Tamer.

Sight & Hearing Committee

The club has available a video eye (low vision magnifier) to a person in the Ashland area. For further information, contact: Lion Norm Zachariah.

As of the printing of this newsletter PDG Ray is home and relaxing. I don't think that will last long though because Lion Ann is looking for a tread mill for him to exercise on.

Geranium Sales

Don't Forget that all orders are due May 7th and pick up is at the Fairgrounds on May 19th. Orders go to Lion Tim and Money goes to Lion Kim. Make sure that the money and orders have your name on them so you get credit for the sale.

School Vision & Hearing Project

A total of 22 Lions from Ashland Evening, Ashland Noon and Polk helped make the Kindergarten screening a successful program again this year. These 22 Lions volunteered a total of 196 hours.
